

New Trip DVDs Now Available! Mass Bay Railroad Enthusiasts Excursion Train Videos

Relive the excitement of a Mass Bay RRE train excursion with one of our new trip videos. Produced by Black 5 Video of Springfield, VT, these DVDs allow you to see our special trains as you've never seen them before!

The GRIFFIN LOCAL: Mass Bay RRE operated two excursions over the Central New England Railroad's 'Griffins Industrial Track' in July, 2009. This trip over one of the few surviving segments of the old Central New England Railway covered all of the operable trackage from Hartford Union Station to the end of the line. Black 5's DVD production includes a cab ride of the entire line. *51 minutes, color, widescreen.*

GRANITE CITY EXTRA: This DVD documents our April 4, 2009 special trains over the Washington County Railroad between Montpelier and Barre City Vermont using equipment of the Green Mountain Railroad. This DVD captures the essence of this early spring trip through Vermont's Capital District, including a brief history of the line and full narration. *26 minutes, color, widescreen.*

The CAPITAL LIMITED: Our special charter ran over the Plymouth & Lincoln and New England Southern Railroads from Meredith to Concord, NH on May 2, 2009. Relive the entire trip through New Hampshire's scenic Lakes Region to the state capital with this DVD. *37 min., widescreen, color.*

HOUSATONIC FLYER: Our May, 2009 rare mileage excursion from Canaan to Danbury CT covered the southern half of the former New Haven RR Berkshire Division. This video is the perfect companion to the Berkshire Flyer DVD above. *40 min., widescreen, color.*

STEAM IN THE SNOW: On January 5, 2008, Conway Scenic Railroad's ex-CN 0-6-0 7470 led our specially-chartered train through the snow-covered (over 2 feet!) countryside between North Conway and Sawyers River. This DVD captures our train from several vantage points not accessible to our passengers. *33 minutes, color.*

BERKSHIRE FLYER: This DVD, produced especially for Mass Bay RRE, documents our May 17, 2008 special train over the Housatonic Railroad between Pittsfield, Mass. and Canaan, Connecticut – the first publicly-offered passenger train to traverse this route in a generation! *30 minutes, color.*
