

All Aboard for Mass Bay RRE's Third Annual
Conway Scenic Railroad
'STEAM IN THE SNOW'
PHOTOGRAPHERS' SPECIAL

North Conway, NH to Sawyers River & Return with Steam Engine 7470
Saturday, January 2, 2010 ONLY!!

There's just something about crisp winter air that makes a steam engine look great! Join Mass Bay RRE on our third annual steam-powered *photographers' special* excursion on the Conway Scenic Railroad. This unique event will feature multiple photo stops and photo runbys starring Conway Scenic's 0-6-0 7470 (built by the Grand Trunk Railroad in 1921) in the lead. We'll have the engine "pointed southward" throughout the trip for great photos in the mid-day light.

Our train will depart from the landmark CSRR North Conway station at 10:30 AM. At Sawyers River the 7470 will run around the train to lead us back to North Conway, with a scheduled return around 3:00 PM. Our train will consist of the dome car "Dorthea Mae", first-class cars "Carroll P. Reed" and "Gertrude Emma" and up to three Conway Scenic coaches, depending on demand. A limited number of seats are available in the dome section of the "Dorthea Mae" and in the parlor-observation car "Gertrude Emma", which will be at the rear of our train on the return trip (*extra fare & advance reservations required for seating in these cars - see order form below*). Mass Bay RRE members will receive discounted fares and preferred seating in the first-class cars. See our web site for complete details of our member benefits policy.

Train capacity is limited! We will assign seats by car only and will reserve blocks of seats for groups of four or more. Passengers wishing to sit together must order tickets together at the same time. 'Boxcar' lunches are available for advance purchase, or you may bring your own food. Also, the Conway Scenic snack counter will offer light snack and hot & cold beverage service during our trip.

Our connecting motor coach service from Boston, leaving South Station at 7:00 AM, the Anderson RTC in Woburn at 7:15 AM, and the park-and-ride lot at Exit 3 in Portsmouth, NH, at 7:50 AM, will offer a guaranteed connection with our train at North Conway. The coach will leave North Conway shortly after our train's arrival and will return to Boston around 6:30 PM.

Fans who choose to chase our special train rather than ride it will want to purchase our special "Railfan's Chase Package". This package will include a trip brochure, detailed route maps and operating schedule, and a special "Official Chase Vehicle" commemorative placard.

This trip operates ONE DAY ONLY, rain, snow or shine. All sales are final and tickets are not refundable. Alcoholic beverages and smoking will not be permitted aboard this train. Tickets will be mailed to you about 10 days prior to the trip; we will send driving directions to the departure point in North Conway with your tickets. Please notify us if special accommodations (handicap seating, etc.) are required.
