

All Aboard for Mass Bay RRE's Fifth Annual

# 'STEAM IN THE SNOW'

## Photographers' Special on the Conway Scenic Railroad

### North Conway, NH to Notchland & Return with 0-6-0 Steam Engine 7470

### Saturday, January 7, 2012 ONLY!!

There's just something about crisp winter air that makes a steam locomotive look great! Join Mass Bay RRE on our fifth annual *steam-powered* photographers' special excursion on the **Conway Scenic Railroad**. This unique event features multiple photo stops and photo runbys starring Conway Scenic's 0-6-0 steam engine 7470 (built by the Grand Trunk Railroad in 1921). We'll have the engine "pointed southward" throughout the trip for great photos in the mid-day light.

Our excursion will depart from the Conway Scenic's landmark North Conway station promptly at 10:30 AM, head north and west through Bartlett to Notchland. There we'll reverse direction, with the 7470 leading us back to North Conway. Along the way we'll make a number of stops, some accessible only by train, so passengers can take photographs and video of the train. Our return to North Conway is scheduled for 4:00 PM, including a staged "second arrival" at the station for photos.

The train will consist of the dome car "Dorthea Mae", the open-platform observation car "Gertrude Emma", the first-class coach "Carroll P. Reed" as well as standard Conway Scenic coaches. All cars are heated and rest rooms are available on board. A limited number of premium seats are available in the dome section of the "Dorthea Mae" and in the parlor-observation car "Gertrude Emma", which will be at the rear of our train on the return trip (*extra fare & advance reservations required for seating in these cars - see order form below*). Mass Bay RRE members are eligible for discounted fares and preferred seating in the first-class coach. See our web site for complete details of our member benefits policy.

#### The Boston Coach Connection

Our connecting motor coach service from Boston, leaving South Station at 7:00 AM and the Anderson RTC in Woburn at 7:15 AM, offers a *guaranteed connection* with our train at North Conway. The coach will leave North Conway shortly after our train's arrival and will make a dinner stop en route before returning to Boston around 8:30 PM.

Train capacity is limited! We will assign seats by car only and will reserve blocks of seats for groups of four or more persons. Passengers wishing to sit together must order tickets together at the same time. 'Boxcar' lunches are available for advance purchase, or you may bring your own food. Also, the Conway Scenic snack counter on board will offer light snack and hot & cold beverage service throughout the day.

Fans who choose to chase our special train rather than ride it will want to purchase our special "Railfan's Chase Package". This package includes a trip brochure, detailed route maps and operating schedule, and a special "Official Chase Vehicle" commemorative placard.

This trip operates ONE DAY ONLY, rain, snow or shine. All sales are final and tickets are not refundable. Alcoholic beverages and smoking are not permitted aboard this train. Tickets will be mailed to you about 10 days prior to the trip. We will send driving directions to the departure point in North Conway with your tickets. Please notify us if special accommodations (handicap seating, etc.) are required.
